If tournament hosts lose money on a tournament, they should talk to the league because that shouldn't happen

09:13:55 AM 2014 NCFL Nationals in Chicago Update

Chicago Hilton is the contract hotel;

De La Salle can host extemp; second campus available but not big enough for a second extemp

Jones College Prep a second school, owned by CPS and Chicago Park District

Roosevelt's price went up considerably

DePaul's prices were too high, and downtown campus was not a good venue last time

UIC's calendar is still in flux

Columbia can't make a commitment, they are very frustrating

Cindi suggests Northeastern University

09:19:35 AM 35 rooms per event in speech, 210 total

70 rooms for LD and PF, 140 total

100 rooms for policy

12 Congress rooms

Each event needs a large tab room and a gathering place

09:21:52 AM Trying to avoid a bus contract and keep everything downtown

Philly bus contract is \$28000

09:32:27 AM 2014 Tasks

Hotels, venues, bus contracts will be taken care of by Colletti

Lunch preparation needs to follow rules of diocese and venues

Concessions are also a consideration depending on the venue

Corporate donations for registration packets, diocesan directors, etc

Darrell asks about congress rules/manual, which doesn't exist?
Mary Beth: some kids whined about procedures; also a problem when speech scores
don't match up with rankings; how does participation get factored in?
Craig and Mary Beth are pleased with rankings' ability to capture legislator as a whole
Maybe need some guidelines for Congress judging;
Discussion about Reason for Rank section added to Congress ballot;
- 10:23:01 AM Mike points out that numbers were down a bit in Congress; results after second
tournament were pretty consistent with results after third tournament

- 10:32:16 AM Nationals workshop didnt happen this year
Conflicts
Need nationals feedback and get coaching teams together for specific events for
nationals preparation
- 11:10:55 AM Lengthy discussion about schedule changes; Jeff proposes three monthly tournaments for
all events followed by a Local Grand Tournament for qualification purposes
Pros: Fewer committed weekends throughout the year for programs; more weekend
opportunities for students; more opportunities for students to try different events
Cons: Worried about numbers for each tournament; qualification questions surrounding
students who can't make certain tournaments and other tournaments don't run;
difficulty of finding date for Local Grand Tournament
Discussion is tabled until after we host nationals...
- 11:22:43 AM Schedule discussion (Wanda has notes for schedule)
